CARTE POSTALE. POSTKARTE.

Kames Castle. At the head of Kames Bay, Bute, stands Kames Castle, almost hidden away in a park of magnificent old trees. Its tower, which is in good preservation, dates from the 14th century. Within its walls John Sterling was born in 1806. The other side of the bay is Kamesburgh, or Port Bannatyne, built partly upon Kames Hill, the highest ground in the island.
